Sunday, 9:30 a.m. to 5:00 p.m.

Charles Klehm & Son

Nursery

Serving the northwest suburbs of Chicago
for almost a century

PHOTO TAKEN IN OUR NURSERY

See Before You Buy

You are cordially invited to visit our friendly "headquarters" in the big pink barn at the corner of Algonquin and Arlington Heights Roads and to tour the various Klehm Nursery fields to see a wide selection of Evergreens, Trees, Shrubs, Peonies and other perennials in bloom. A particularly beautiful attraction every June is the 50 acres of Peonies, a specialty of the Klehm family since 1902 and one which has earned the nursery an international reputation.

KLEHM GUARANTEE OF PLANTS

We supply quality plants in a healthy growing condition. Then come the following risks, all beyond our control:

- (a) SOIL too compact, or too loose, or too sweet, or too sour, or too wet, or too dry, or too barren.
- (b) PLANTING too deeply, or too shallow.
- (c) Burning roots with FERTILIZER.
- (d) OVERFEEDING, especially with too much nitrogen.
- (e) SUMMERS too dry, too hot, not enough watering.
- (f) WINTERS too cold, too erratic. Beyond control. "Winter-killing."
- (g) DISEASES, and insect pests, not noticed, some uncontrollable.

Nevertheless, we share half of the risk for the first six months. We agree to replace at half of original purchase price, FOB nursery, whatever failures, if paid for within 90 days, and if reported within six months after planting or purchase.

We do not offer or wish to supply plants on any other basis. We could increase prices to permit a policy of free replacement, but that would merely penalize the fortunate and the attentive gardener.

Members: American Association of Nurserymen; Illinois State Nurserymen's Association; National Landscape Nurserymen's Association; Illinois State Florists' Association; Allied Florists; Society of American Florists; American Peony Society (charter member).

PLANT WITH A PLAN A good planting plan is the first step to good landscaping, regardless of whether your way of living calls for informal plantings of trees and shrubs or requires a more formal approach. Our experienced sales people (including graduate landscape experts) are always ready to advise you on a well-organized planting program, help you get the most enjoyment out of your own lawn and garden. If you will bring a snapshot, blueprint or dimensions of your home, we can be of greater assistance in choosing the proper selection, spacing and the most interesting design of your plantings.

Come to KLEHM'S for all your landscaping and gardening needs

BE OUR GUEST

Each nursery "department" is organized and displayed to make your browsing a pleasure. Our capable and experienced sales force is always ready to give you advice, guide your selections, answer your questions.

Two spacious parking lots are maintained for your further convenience and safety. Drive right in and step out into a new world of color, beauty, fragrance . . . and lasting satisfaction.

INSIDE THE BIG PINK KLEHM BARN

GARDEN SUPPLY SHOP

You'll find a complete range of grass seeds, fertilizers, weed killers, garden implements, bulbs in season and many other products in our bright, handy Garden Supply Shop.

Grass Seeds—Klehm's Excel Mixture Seed is a blend noted for its fine performance in this area, combining a maximum of beauty and economy with a minimum of care and attention. We carry a wide selection of Scott's and Vaughan's packaged seeds, plus the following in bulk: Merion and Kentucky Blue, Merion Blue Formula, Perennial Rye, Red Top, Creeping and Chewing Fescues, Annual Rye, Bent Grass, Poa Trivialis and Alta Fescue.

Fertilizers and Weed Killers—Let us help you choose the right "diet" for your lawn and garden from our complete line of fertilizers and soil conditioners. We will be glad to help you choose the proper chemicals to eliminate your garden pests. Such famous names as Scott's, Vaughan, DuPont, Ortho and Armour are represented, as well as many specialized products of proven performance.

COMPLETE "ONE-STOP" CONVENIENCE

Wide variety, highest quality, good service, plenty of parking space—these are some of the reasons why the friendly Charles Klehm & Son Nursery makes your garden and landscaping shopping so easy and rewarding.

BEHIND THE BARN — ALL NEW AND BIGGER THAN EVER!

Come see our newly enlarged sales area . . . our big spectacular year-round greenhouse. This beautiful glass house is filled with plants and flowers in full bloom for your pleasure and selection.

GIFTWARE SHOP

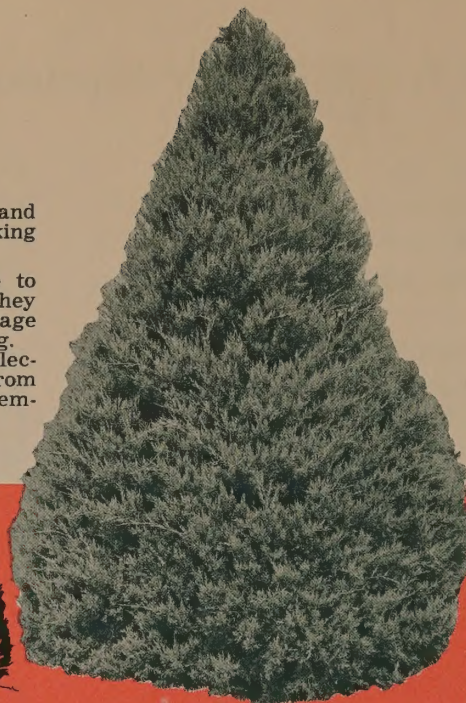

Awaiting your selection is a large collection of choice pottery, planters, and other giftwares from all over the world. You'll find all kinds of unusual ideas, flower arranging materials, wall accessories, "conversation pieces" and collector's items in our unique Giftware Shop. It's the place to browse any time you have the time!

KLEHM Evergreens

HARDY SPECIMENS — LOCALLY GROWN

Plant our specimen Evergreens for year-round landscaping effects and four-season color. They will soften building lines, give your home a striking appearance.

Evergreens are tolerant of a wide variety of conditions, being able to grow in almost every kind of soil and enduring both sun and shade. They are winter-hardy in almost every climate. The dense dark green foliage and the developing new shoots form an effective contrast in the spring. Whatever you need in Evergreens, visit our yard and make your selection from freshly dug sturdy plants. The planting season extends from the latter part of March through April, May and June and again in September, October and November.

Evergreen groups according to habits of growth

ARBOR VITAE

Pyramidal (4) — Light green foliage, narrow pyramidal, makes splendid tall screen.

30"	4.50
42"	6.50
54"	10.00
48"	8.00
60"	12.00

Globe (4)—Retains its globe shape without trimming. Foliage is rich green.

FIR

Douglas (1)—Soft bluish green foliage, fast growing, large tree.

24-30"	9.00
42"	15.00
36"	12.50
48"	18.00

HEMLOCK

Canadian (2)—A very graceful evergreen, does well in partial shade, can be used as a trimmed hedge.

48"	15.00
-----	-------

JUNIPERS

Popular, hardy evergreen, providing many forms and much variety in color.

Andorras (6) — Creeping, spreading, very hardy, rapid grower. Summer color gray green; winter, plum.

15-18"	4.50
24"	6.50
30"	8.00
36"	10.00
42"	12.50

Blue Haven (7)—Silver blue in color, brightest blue of all upright junipers.

60"	15.00
72"	18.00

Cannaerti (7) (2) — Gorgeous plant with rich green heavy foliage, bright blue berries in fall, maintains good winter color.

36"	10.00
42"	12.50
48"	15.00
54"	18.00

Chinese Seedling (7) (2)—Gray-green foliage, fast grower, grows well in hot, dry locations, also immune to severe cold.

42"	7.50
48"	10.00
60"	15.00
72"	18.00

Chinese Grafted (2)—Same as Chinese seedling on selected for outstanding qualities.

42"	10.00
48"	12.50
54"	15.00
60"	18.00

Dundee (7)—A compact symmetrical pyramid, rich green foliage, turns plum in winter.

42"	10.00
48"	12.50
54"	15.00
60"	18.00

Globe (4)—Blue and green.

24"	10.50
36"	12.50
42"	15.00

Golden Prostrate (7)—Low growing with golden color.

15-18"	4.50
24"	6.50

Hetzi Spreading (3)—Blue foliage, resembles Pfitzer in habit, but denser, faster growing.

15-18"	4.50
24"	6.50
30"	8.00
36"	10.00
42"	12.50
48"	15.00

Hetzi Upright (stacked) (2) — Blue foliage, semi-upright in growth.

42-48"	12.00
54"	15.00

Pfitzer (3)—Very hardy, fast growing, graceful evergreen-feathery gray green foliage.

15-18"	4.50
24"	6.50
30"	8.00
36"	10.00
42"	12.50
48"	15.00

Silver Cedar—Bluish foilage during summer, changes color slightly for winter, broad columnar grower.

36"	12.00
48"	15.00
54"	18.00

Spiny Greek (2)—Gray-green foliage, broad compact, well-formed pyramid, slow grower.

18"	4.50
24"	6.50

Von Ehron (3)—Rich green foliage, feathery in texture, rapid grower, vase shaped.

24"	4.50
30"	6.00
36"	8.00
42"	10.00

PINES

Mugho (4) — "Pin Cushion" pine, can be pruned to remain dwarf for many years.

12"	4.50
15"	6.50
18"	7.50
24"	10.00

Scotch & Austrian (1)—Bluish green foliage, fast growing.

30"	7.50
36"	9.00
42"	12.00
48"	15.00
54"	18.00
60"	22.50

Swiss Stone (1)—Soft green foliage, slow grower, used as specimen or group planting.

72"	50.00
84"	65.00

SPRUCE

Colorado Blue (1)—The favorite specimen evergreen, broad pyramidal tree in bluish casts.

24"	12.50
30"	15.00
36"	18.00

(extra select blues slightly higher)

Colorado Green (1) — Green foliage, Same as above with green foliage.

30"	9.00
36"	12.00
42"	15.00

Koster or Moerheim Blue (1)—Bluest of all spruce, grafted tree, specimen plant.

60"	60.00
72"	75.00
78"	90.00

(larger sizes available)

Norway (1)—Fast growing pyramidal.

36"	7.50
42"	10.00
48"	13.50

YEWS (taxus)

The favorite evergreen for foundation planting—dark green foliage—plants very adapted to shearing.

Adams Columnaris (2)—Dense broad conical tree, not as compact as the Capitata, cutting grown.

60"	50.00
66"	57.50
72"	75.00

Browni Spreading (4)—A more upright form than Cuspidata, used as a globe, very compact, darker green than Cuspidata.

15"	8.00
18"	10.00
24"	15.00
30"	18.00

Capitata (2)—Upright pyramidal — a dense, broad conical tree, quite formal.

24"	10.00
42"	27.50
48"	35.00
30"	15.00
36"	21.00

Capitata (2)—Older, heavily sheared specimen.

30"	22.50
36"	27.50
42"	32.50
48"	37.50
54"	45.00

Cuspidata Spreading (3)—Soft graceful horizontal plant, does well in shaded areas, can be trimmed for nice hedge, box-shape, etc.

8-10" potted	2.50
12"	6.50
30"	15.00
36"	18.00
42"	22.50
15"	8.00
18"	10.00
24"	12.50

Densiformis Compact (3)—A dense, compact spreading type.

12"	8.00
15"	10.00
18"	12.00
24"	15.00
30"	18.00

Globe (4)—Used to soften lines in landscape or front entrance material.

24"	15.00
30"	18.00
36"	22.50

Hatfield (5)—Wide columnar, dense foliage, ideal for narrow hedging.

15"	8.00
18"	10.00
24"	12.00
30"	15.00
36"	18.00

Hicks (5)—Narrow columnar, dark green foliage, used for narrow areas.

15"	6.50
18"	8.00
24"	11.00
30"	13.50
36"	15.00
42"	18.00

Kelseyi (4)—Deep green foliage, bright red berries in fall.

15"	8.00
18"	10.00
24"	12.50

Wardi (3)—Semi-spreading, noted for its red berries.

24"	12.50
-----------	-------

BROAD LEAFED EVERGREENS

Euonymus Vegetus — Used as shrub, vine or ground cover.

2 yr. potted	1.50
12-15" potted	3.00
18-24" potted B&B	6.50
24-30" potted B&B	9.00

Euonymus (Coloratus, Erectus, Patens)
See hedging for descriptions and prices.

Myrtle (Bowles) — Evergreen ground cover, blue flowers.

Potted ..	.50
100 clump	40.00
Potted ..	.75

Oregon Grape Holly

15-18" B&B	7.50
18-24" B&B	10.00

Pyracantha—Firethorn

Potted	1.75
36" B&B	17.50
42" B&B	22.50
48" B&B	27.50

Rhododendrons—For best results plant in shaded area. Red and Pink (Spring only)

15-18"	12.50
--------------	-------

All Evergreens are dug with a ball of earth.

KLEHM

Trees

FOR FLOWERS, SHADE, and CHARACTER

Nothing in the plant world represents permanence and stability as does a fine tree—chosen for its color, form, character, flower or leafy shelter. Trees dignify and lend balance to a home. When properly planted, they make both the inside and outside of your house much cooler and more comfortable in hot weather.

The spectacular show of flowers in the spring from flowering crabs, dogwood, flowering plums and peaches is matched by the breathtaking color of maples and oaks in the fall. Others such as the linden, ash, honey locust and Norway maple provide welcome shade from the heat of the summer sun. In selecting trees, consider what you want them to accomplish and where they must be planted. Bring your problem to Klehm's for a satisfactory and time-proved solution—then sit back and enjoy the lasting beauty of a tree. Planting season is March, April, May, October, November and December.

ASH (Fraxinus)

Green—Rapid, tall growing, pyramidal tree, easy to transplant, allows grass to grow underneath.

1¼"	10.00	2½"	22.50
1½"	12.00	3"	35.00
2"	18.00	4"	50.00

Blue—Attractive foliage with corky bark.

6-8'	7.50
------------	------

Marshall—A new outstanding variety that is seedless.

1¼"-2"	22.50
--------------	-------

BEECH (Purple)

Dark purple leaves, compact growth. 3-4' in can

10.00

BIRCH (Betula)

Primarily planted in spring, to create that woody, naturalistic effect.

Clump—White Birch — 3 or more stems.

4-5' growing in basket	5.50
6-8' growing in basket	9.00
6-8' B&B	12.50
8-10' B&B	30.00
10-12' B&B	40.00

Orange Birch—Naturalistic and woody trees—3 or more stems, with peeling orange bark.

10' B&B	18.00
14' B&B 40.00	18' B&B 60.00

Cut-Leaf Weeping—Lovely white bark tree with graceful, weeping moving branches and cut-leaf foliage.

8-9' growing in basket	7.50
10-12' B&B	20.00
2" B&B	30.00
2½" B&B	40.00

ELM (Ulmus)

American — A stately, graceful tree with Gothic-type structure.

1¼"	9.00
1½-2"	12.00
2-2½"	15.00
2½-3"	20.00
3½-4"	27.50

Chinese—Hardy, rapid growing, slender branched tree, not readily susceptible to Dutch Elm disease.

8-10'	3.00	1¼"	6.00
-------------	------	-----------	------

1½"	8.00	2½"	17.50
2"	12.00	3"	25.00
2¼"	15.00	3½"	35.00

(larger sizes available)

Chinese Hybrid — Very fast growing tree with large leaves, combining the good qualities of the Chinese and American Elm.

1½"	12.00	2½"	27.50
2"	17.50	3"	35.00

(larger sizes available)

Wheatleyi — Narrow, pyramidal tree with ascending branches.

2"	20.00	2½"	25.00
----------	-------	-----------	-------

FLOWERING ALTHEA (tree form of Rose of Sharon)

Single red, double white, double pink or double blue.

4-5'	4.50
------------	------

FLOWERING APRICOT

Very early blooming with lovely large pink flowers.

2" B&B	25.00
2½" B&B	32.50
2¾" B&B	37.50

(larger sizes available B&B)

FLOWERING CHERRY

Beautiful early spring flowering small tree.

Kwanzen — Large double rose pink flowers.

4-5'	3.75
6-8'	12.00
5-6'	6.00

FLOWERING CRAB

One of the finest groups of ornamental trees in existence—the se-

lection of color, flower, fruit, foliage and habit cannot be compared to any other class of trees. Delicate flowers in spring followed by attractive foliage and in the fall the red, yellow or purple fruit is very showy and attractive to birds.

Almey—Brilliant red flowers, red fruit is retained till spring, furnishing food for winter birds.

6-7'	8.00	3-4'	4.00
7-8'	10.00	5-6'	6.00

Arnold—Soft, pink flowers fading to white, red fruit, yellow check. Low wide branching tree.

1-1 1/3"	10.00
----------------	-------

Bechtel's, Klehm's Improved — Large double soft pink fragrant flowers, no fruit, reddish foliage in fall. Much more resistant to leaf blotch.

5-6'	6.00	6-8'	8.00
------------	------	------------	------

Brilliant — Bright red flowers with bright red fruit.

5-6'	7.50
------------	------

Centennial — Small tree, horizontal branches with white flowers and fruit of excellent quality, bright red over yellow.

11/16"	3.50
--------------	------

Cowichan — Blooms profusely, bears fruit of spectrum-red, foliage is brilliantly colored in autumn, light pink colored flowers.

2" B&B	20.00	1½" B&B	15.00
--------------	-------	---------------	-------

Crimson Brilliant—New patented variety with brilliant red flowers and purple-red fruit.

1-1½" ..	10.00	6-8'	7.50
1½-1¾" B&B			22.50

Echtemeyer (pink weeping)—Unusual weeping tree with irregular branching habit—flowers are large purplish red, foliage is purplish bronze and fruit is a deep purple.

4-5'	7.50	1" B&B	18.00
5-6'	15.00	1½" B&B	25.00

Eleyi—A large growing tree, good for combination shade and flowering tree—red flowers, purplish red foliage, red fruit in late summer.

6-8' 7.50 1½" 15.00
1¼" 12.50 2" 20.00

Espalier—A limited selection of varieties espalier trained to grow against the wall — individually priced \$15.00 to \$45.00

Floribunda Purpurea — Blooms early with large red flowers, purplish foliage; large red fruit.

5-6' 5.00

Hopa—Dark pink flowers, red fruit; good combination small shade tree and gorgeous flowering tree.

3-4' 3.50

5-6' 6.00 1¼" B&B 12.50

6-7' 7.50 1½" B&B 15.00

Jay Darling—Light red flowers, fruit red, large tree with rounded head.

3-4' 3.50 5-6' 6.00

Lemoine—Darkest red flowers of all, large and non-fading fruit, purplish red in color with reddish foliage.

3-4' 3.50

5-6' 6.00 1¼" B&B 12.50

6-8' 7.50 1½" B&B 15.00

Parkman—Double rose pink flowers, large red fruit.

5-6' 6.00

Radiant—Compact, symmetrical growing tree, red flowers, fruit small and bright red hanging on very well.

5-6' 6.00 1½" B&B 17.50

Sargeant—A dwarf tree with twisted branching effect, white flowers and red fruit—artistic and interesting.

3-4' 4.50

1½" B&B 18.00 2" B&B .. 22.50

Schedeckeri—Semi-double pink flowers of great substance, blooms profusely and in fall has yellow fruit overlaid with orange; a semi-dwarf tree outstanding for specimen use.

3-4' 3.50 1¼" B&B 12.50

KLEHM

Flowering Shrubs

Magnificent floral displays in early spring, cool green foliage in summer and brilliantly colored fruits or leaves in the fall are some of the endless pleasures in Flowering Shrubs. Full or partial privacy can be obtained with the proper shrub planting. They can be planted in March, April, May, October and November. Many of these shrubs are balled and burlapped to allow planting in the mid-summer months.

Permit us to help you select the proper shrubs to serve your purpose whether it be to create privacy, screening, hedging, division of areas, or create interest and color throughout the spring, summer, fall.

Suggested Use of Shrubs

Shady Location — Cotoneaster, Dwarf Honeysuckle, Viburnums, Alpine Currant, Snowhill Hydrangea.

Dry Places—Barberry, Forsythia, Honeysuckle, Privet, Spirea Froebelli, Viburnums.

Winter Effect — Highbush Cranberry, Red and Yellow Twig Dogwoods, Red Barberry, Euonymus Alatus, Cotoneaster Divaricata, Pyracantha.

Autumn Color — Euonymus Compacta, Washington Hawthorne, White Dogwood, Viburnums, Red Barberry, Amur Maple.

To Attract Birds—Shadblow, Barberry, High Bush Cranberry, Honeysuckle, Viburnums, Nanking Cherry.

Fragrance — Star Magnolia, Lilacs, Mock Orange, Viburnum Carlesii and Carcephalum.

Tall Screening—Red and White Honeysuckle, Persian and French Lilac, Mock Orange, Nanking Cherry, Rose Tree of China, Red Leaf Plum, Highbush Cranberry, Wayfaring Bush.

Outstanding Small Shrubs — Flowering Almond, Azaleas, Pygmy Red Barberry, Potentilla, Hypericum, Spirea Froebelli, Cotoneaster Praecox, Deutzia Gracilis, Golden Mock Orange, Frosty Morn Mock Orange.

For Outstanding Flowering Effect — Azalea Mollis Hybrids, Forsythia, Rose Tree of China, Royal Purple Smokebush, Tamarix Pink Cascade, Viburnum Carcephalum, Weigelia Bristol Ruby, Hibiscus, new varieties of Japanese Quince, P. G. Hydrangea, Mock Orange, Beauty Bush.

ALMOND

Dwarf shrub with double pink flowers in early spring. Longer lived since they come on their own roots. (3')

2-3' 1.75

Rubra-Red—bright red flowers with shiny dark green foliage. (6')

3-4' B&B 5.50 2-3' 1.75

RED LEAF PLUM (shrub form)

Shrub with red foliage all summer, used to bring color in yard. (6')

Cistena—a dwarf variety with bright purple red foliage (own root)

2-3' 1.75

3-4' 2.50 4-5' B&B 5.50

4-5' 3.50 5-6' B&B 7.50

RUSSIAN OLIVE

Silver foliage plant used for color contrast. (7')

3-4' 1.75 4-5' 2.50

SHADBLow (Amelanchier)

Naturalistic large shrub with early white flowers, edible small red fruit, attracts birds. (9')

3-4' 1.75

SILVER BUFFALOBERRY

Pale yellow flowers, red/yellow

fruit, silver leaves. (7')

2-3' 1.50

SMOKE BUSH (Rhus Cotinus)

A large shrub with loose blue-gray panicles of flowers.

Royal Purple—new variety with rich coppery purple foliage all summer and feathery red plumes in June and July. (9')

2-3' 3.00 4' B&B .. 20.00

SNOWBALL BUSH (see Viburnum)**SNOWBERRY**

Spotted—medium sized shrub — does well in shaded areas — has clusters of white berries in fall. (4')
 4' 1.50

SPIREA

A very popular versatile species of shrub.

Anthony Waterer — low shrub with rounded flower clusters of rose-red in mid-summer. (30")

18" 1.25 24" 1.75

Billardi—Dense shrub, rose colored flowers in July and August.

3-4' 1.75

Coccinea—Similar in growth to Anthony Waterer—flowers are a richer crimson-red. (30-36")

18-24" B&B 3.50

Froebelli (red dwarf)—similar to Anthony Waterer but slightly taller in growth—flowers a lighter red. (36")

24-30" 1.50

Prunifolia — upright medium sized shrub with fine double white flowers in May, leaves color nicely in the fall. (5')

2-3' 1.50 4-5' 2.50

Thunbergi—a graceful shrub with thin arching branches, single small white flowers covering plant. (4')

30-36" 1.50

Van Houttei (Bridal Wreath)—a large graceful shrub with spectacular white flowers in May. (5')

4' heavy .. 1.50 3-4' 1.25

4-5' 1.75

5' heavy B&B 4.50

SUMAC

Shrub used for naturalistic setting and brilliant red foliage in fall.

Aromatic (fragrant) — small yellow flowers in April, followed by red berries. (7')

18-24" 1.50

6-7' clumps 7.50

TAMARIX

Soft graceful shrub with fern-like leaves. (7')

Pink Cascade—patented variety with feathery silver foliage, bright pink flowers in June and July.

2-3' potted 1.75

VIBURNUM

Versatile species of large shrubs that are easy to grow.

American or High Bush Cranberry—excellent large screening shrub with single lacy white flowers in May and scarlet red fruit that hangs on through the entire winter. (9')

2-3' 1.25 4-5' 2.50

3-4' 2.00 5-6' 3.50

Carlcephalum — new patented variety with large pinkish white flower clusters that have outstanding Korean spice fragrance. (6')

15-18" potted 4.50

30-36" B&B 7.50

3-4' 12.50

Carlesi (Korean spice bush)—outstanding, fragrant white/pink flower clusters. (5')

24-30" 5.50

30-36" B&B 7.50

Dentatum (Arrowood) — shrub that grows under adverse conditions, attractive foliage in fall. (6')

3-4' 1.25 4-5' 1.50

Lantana (Wayfaring)—ideal shrub for shade and city conditions, leathery dark green leaves and single white flowers. (7')

3-4' 1.75

4-5' 2.50 5-6' 3.50

Molle—similar to Dentatum—slower growth, foliage more attractive.

5-6' 3.00

Opulus Sterile (Snowball)—blooms profusely with large double white flowers. (7')

3-4' 2.00 4-5' 2.50

Setigerum (Theiferum) — deep green leaves in summer, white flowers early summer—brilliant red berries in fall—one of the finest pyramidal shrubs.

2-3' 1.50

4-5' 2.50 4' B&B .. 4.50

Tomentosum Mariesi — horizontally branched shrub with beautiful white flowers and heavy foliage. (7') (red fruit)

2-3' 1.50 3-4' 2.00

WEIGELIA (Cardinal Bush)

Medium sized shrub with heavy foliage that is beautiful in bloom. (6')
 Attractive Burning Bush.

Bristol Ruby, (patented red)—flowers sparkling ruby red, produced in immense quantities, blooms again in late summer and autumn.

4-5' 2.50 3-4' 2.00

Rosea—pink flowers in late May.

3-4' 1.50 4-5' 2.50

Vaniceki (red)—deep red flowers, vigorous grower with rich foliage, blooms in spring and fall.

3-4' 1.75 4-5' 2.25

Variegated — pink flowers, leaves are variegated white and green.

2-3' 1.75

WILLOW

Arctic Blue—small hedging plant that is used for its gray/green foliage. (3')

15-18"75

WITCH HAZEL

Shrub that is used for naturalistic moist shady locations. (8')

Vernalis — early spring blooming yellow fragrant flowers.

3-4' 2.25

Virginiana—fall bloom. Yellow flowers.

3-4' 2.00

KLEHM

Roses

GROWN IN POTS FOR GUARANTEED SUCCESS AND EARLY BLOOM

The Rose is truly the Queen of Flowers. No other is so universally loved or will give greater enjoyment. We have Roses for every taste, including the latest All-American patented varieties.

Roses are usually grown as bedding or climbing plants but can be used as background or foundation plantings and as hedging.

POTTED ROSES — Our Potted Roses give you an outstanding summer-long flower display. By potting these plants in extra large containers early in February, we encourage root action before the top begins to grow, getting a head start on the growing season and thus insuring earlier and larger flowers. These roses are hardened off and ready to plant after April 20th or any time later in the spring or summer with no setback.

PATENTED HYBRID TEA ROSES

Aida—rich red	2.90
American—red	3.90
Angel Wings—white and delicate pink	3.40

TREE ROSES

We have a good selection of patented tree roses, planted in baskets, best quality, each 7.00

NOTICE:

These prices include a 40c charge for potting and extra handling, which is less than cost.

KLEHM Peonies

The Peony is rated among the most beautiful of all plants. Its magnificent blooms and lush foliage may be produced with far less care than almost any other flower. Long regarded with deep affection by flower growers everywhere, Peonies have been handed down in families as garden heirlooms. Literally thousands of Peonies are growing today that were planted more than 50 years ago. The Klehm Peony fields in June are a breathtaking sight; that is the ideal time to make your selection. A labeled display is also assembled in our Garden Shop at that time. Peonies should be planted in September or October.

NEW JAYCEE PEONY . . . \$3.50

We are proud to introduce our newest patented Peony (Plant Patent No. 2011). The official flower of the Junior Chamber of Commerce of the state of Illinois, JAYCEE is a huge American Beauty Red peony. This vigorous strong-stemmed grower with lovely dark green foliage and spectacular bloom is the culmination of almost 60 years' experience in developing finer peonies. 3-5 Eye Division.
